One of the men now stepped forward, saying to his friends: "You remain quiet, and leave this fellow to me." Then addressing himself to the new comer, he cried: "Hear you, Sir, these men do not understand the matter at all. I can set it all right for you in a minute." Saying this, he lifted a heavy stick, bound with iron rings and struck a camel which was feeding off the leaves of a plum-tree. The stolid creature, scarcely feeling the blow, merely moved a step or two forward.

8. Candidates whose medium of examination is English will write an essay on "Terrorism"

"You observe", said the man, the effect of this treatment on the camel. Now

"Why, Sir, this cruel usage?"

15

observe its effect on a human being!" He then struck the man himself a similiar blow, which felled him to the earth like a log. When consciousness returned, this bewilder victim inquired:

A king fell seriously ill and all hopes of his recovery vanished. The more the disease was cured, the more it became painful. At last the physicians agreed that this disease could not be cured except by means of bile of a person endued with certain qualities. Orders were issued to search for an individual of this kind. A son of a farmer was discovered to possess the qualities mentioned by the doctors. The king summoned the father and the mother of the boy, whose consent he got by giving them a huge amount of wealth. The Qazi issued a decree to shed the blood of a person for the health of the king. The boy was brought to the altar and the executioner was directed to slaughter the boy. When all was ready, the boy looked towards the sky and smiled. Candidates whose medium of examination is English will write an essay on "Fanaticism"
